BSL Anti-bullying Event

On 3rd November the BSL signing club took part in the annual Anti-Bullying Schools Project which involves over 50 schools from Merseyside and the north west. This is the 4th year that we have taken part.

Over the last few months, the children have been learning to sign songs with positive messages, to help children understand and help stop bullying. Several dignitaries were in attendance including mayors from 4 Merseyside regions, and the singer from Liverpool band The Las. The children were excellent ambassadors for our school and, despite standing for a VERY long time, all seemed to enjoy the day.

Class of the Week – 6C

In 6C, we have enjoyed a fantastic half term and positive start back to school. We have focused on demonstrating the three core values of Rice Lane: **Respect, Resilience and Achievement**, both in our learning and around school. In Music, we have been developing our ukulele skills, learning the chords Am, C and F and performing songs such as *A Sailor Went to Sea* and *Can't Stop the Feeling!* We have also explored important topics including racism, equality and Bonfire Night safety, helping us to become thoughtful, responsible and respectful members of our community.

According to the children, this links to the following:

UN Rights Article:	British Value:	Protected Characteristics:
		'We believe that we have a right to an education' – J.W	*'We all have the right to learn, ask questions and think for myself' – H.Mc*	*'I have the right to learn about different beliefs and make my own choices while respecting everyone around me' – L.W*

Class of the Week

We are delighted to introduce a new Class of the Week Snapshot feature in our newsletter. Each week, alongside our Class of the Week, we will share a glimpse of what a class has been learning and experiencing in class. This will help families see the exciting learning taking place across the school and how it connects with our wider curriculum. The snapshots will also highlight links to the British values, Protected Characteristics, and the UN Rights of the Child, demonstrating how we help children develop as confident learners, responsible citizens, and respectful members of our community. We hope you enjoy celebrating these achievements and learning experiences with us.
