

Could you design a Stained Glass window for
Liverpool Cathedral, to celebrate our centenary?

In 1924 we celebrated the opening of the Choir and worship area of the Cathedral. In 2024 we are celebrating the centenary of this occasion. We are inviting KS2 children across Liverpool to create a design for a stained glass window, commemorating an event that has taken place in Liverpool or the UK from 1924 - 2024.

Designs should be in A4 portrait. A template is attached with further information.

Closing date: **Friday November 17th**

Please send your entries to the Education Department at Liverpool Cathedral by **November 17th**.
