Wellbeing Event

Thursday 9th November 2023

2.30pm to 4.00pm

We have rearranged the postponed wellbeing event for Thursday 9th November.

The drop-in event will be an opportunity for parents, carers and families to come along and find out about different services and support available across the local area. There will also be the chance to catch up with our Senior Mental Health Lead (Miss Thomas), SENCO (Mrs. Murphy) and Learning Mentor (Mr Soulsby).

The times for the event have slightly changed - it will now be 2:30pm-4:00pm

We would love to see you for a coffee, cake and a catch up!
