Dear Parents/Carers,

As a school community, our priority is to ensure a safe and positive environment for all children. With this in mind, we would like to remind parents of a few important expectations regarding after-school supervision and playground use.

Once children are dismissed at the end of the school day, they remain the responsibility of their parents/ carers. While we understand that children enjoy socialising and playing, we kindly ask that they do not use the playground equipment after school. This helps us maintain a safe environment for everyone on the playground.

Additionally, we ask that any concerns or issues involving children be addressed directly with the respective parents or through the school, rather than approaching children. It is important that all interactions on school grounds remain respectful and appropriate, as we want to protect our children from any unnecessary upset. This will help to keep the playground a happy and enjoyable space for them.

Thank you for your co-operation and for helping us foster a safe, supportive, and respectful school environment.

Yours sincerely,

Mrs L Roach

Headteacher
