My Happy Mind

We are introducing a programme to EYFS and KS1 at school called myHappyMind. myHappyMind is all based around helping children to understand how their brain works and to support them in developing positive skills and habits to be their very best selves! myHappyMind is delivered in schools by class teachers through a series of interactive lessons and then the children apply these learnings throughout the day.

To further embed this learning, myHappyMind has developed a Parent App. These resources can be accessed online on your computer, or through an app on your phone. The Parent App will support you as a parent in understanding what your child is learning, activates for you to do together at home and also a Kids Zone featuring myHappyMind Games plus much more!

To access these materials just go to <https://www.learn.myhappymind.org/Customer-Parents-Resources-Activation-Code> to create a free account. You will need to enter your name, email and authenticator code.
