"We are respectful, resilient and together we achieve"

My Happy Mind

We have introduced a new programme for children in EYFS/KS1.

The myHappyMind program is a comprehensive mental health initiative designed to support children's wellbeing. It combines the latest research, science, and technology to help children develop lifelong habits and learn to thrive. The program is designed for schools, families, and early years settings, aiming to prepare children for tomorrow's world by building resilient, balanced, and happy minds.

To access the materials just go to <https://myhappymind.org/parent-resource> to create your free account.

You will need to enter your name, email and authentication code.

Please contact the school office for the authenticator code.

Once you have created your account, you will receive an email with the next steps on downloading the app.

We really encourage you to make use of this free content so that you can support your child in getting the best out of the curriculum.

If you have any questions about My Happy Mind, please contact your child's teacher.
