"We are respectful, resilient and together we achieve"

## Week commencing 19th January Energy saving week

Join us for Energy Saving Week (19th-25th January 2026) - a fun and informative opportunity for families to learn simple ways to save energy at home and protect our planet! From reducing bills to making everyday habits more eco-friendly, there's something for everyone to discover. We especially recommended checking out the engaging video on the Energy Saving Trust website that's perfect for parents and children to watch together and spark great conversations about energy use.

Watch it here: <https://energysavingtrust.org.uk/campaign/energysaversweek/> and start saving energy together!

## Santa Dash

The children took part in a joyful School Santa Dash, filling the playground with festive music, bright costumes, and plenty of excitement. Dressed as mini Santas, elves, and reindeers, they ran, danced, and laughed their way around the course. The whole event buzzed with holiday cheer as the school community came together to raise money for new iPads, turning every step of the dash into support for better learning.

We managed to raise an amazing **£1690.50** in sponsor money!
